

Extends service life of electrical and mechanical tools by protecting against rust.

Dissolves sticker, rust, tar and hardened dirt.

Relieves motion on stuck or malfunctioning mechanisms.

PROBLEM SOLVER

Maintains and cleans gardening and hobby tools.

Relieves hinge, gear and chain systems in motor vehicles.

Minimizes friction in system elements, carrying heavy loads.

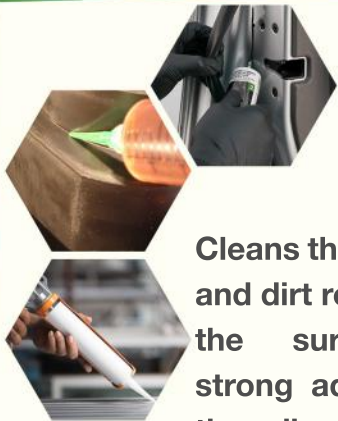

Protects rope, gear and chain systems against adverse weather conditions.

GREASE SPRAY

Provides sliding mechanisms to work more comfortably.

Cleans the lubricants from chain, rope, gear, bearing and hinge.

Cleans the lubricant and dirt residues on the surface for strong adhesion of the adhesive.

Cleans the old grease and dirt from the internal assembly of tools.

BRAKE CLEANER

Cleans the brake lining residues and increases brake holding force.
